

EQUAL OPPORTUNITY/AFFIRMATIVE ACTION POLICY STATEMENT

Metropolitan State University of Denver (MSU Denver) has a continuing moral and legal obligation to foster equality of employment opportunity at the institution, and to ensure that no one is discriminatorily excluded from its programs or activities because of her/his race, color, religion, sex, national origin, age, disability/handicap, veteran status, sexual orientation or preference, gender identity and expressions. All members of the University community are therefore expected to comply with the provisions of this Affirmative Action Program as well as with federal and state laws prohibiting, discrimination in employment and education.

In keeping with these obligations, all employment-related actions including recruitment, hiring, training, promotion, salary and benefit plans and terminations are to be administered in a manner calculated to promote equal employment opportunity. Employment-related decisions shall, moreover, be made without regard to race, color, religion, sex, national origin, age, disability/handicap, or Veteran status, disabled veteran status, sexual orientation or preference, or gender identity and expressions which shall be based solely on valid, nondiscriminatory criteria and requirements.

MSU Denver will also take whatever steps are necessary to prevent unlawful discrimination in its educational, social and recreational programs and activities.

To assist the University to achieve these goals, an Office of Equal Opportunity has been established to educate the community in implementing affirmative action; to monitor institutional practices and procedures; to review and report on the University's implementation of the Equal Opportunity Program including affirmative action delineated by this program; to recommend measures necessary to ensure compliance with this Program and federal and state law; and to mediate, hear, and recommend resolution of complaints of unlawful employment and educational discrimination.

You are urged to familiarize yourselves with the Equal Opportunity Program and with federal and state laws prohibiting discrimination. All administrators, faculty, employees and students have a responsibility to assure all present and prospective members of Metropolitan State University of Denver community equal employment and educational opportunity. I therefore expect each of you to make every good faith effort to implement MSU Denver's Equal Opportunity, Affirmative Action and Diversity Programs. Allegations of discrimination should be reported to the University's Office of Equal Opportunity at 303.556.4746, Student Success Building, President's Office, Room 440.
