Thank you for considering Metropolitan State University of Denver as you plan to further your education. This Transfer Booklet is designed for students attending public Colorado community colleges and will provide you with transfer guides which outline the courses that transfer into specific bachelor’s degrees at MSU Denver.

This booklet is only printed once annually and is subject to change. Electronic versions of these transfer guides are updated regularly and can be found at msudenver.edu/transferguides.

START HERE....

1. Find Your Major.
This booklet divides our transfer guides into three sections: 1) Statewide Guaranteed Transfer Guides 2) MSU Denver Specific Transfer Guides 3) MSU Denver Advising Guides (guides that do not lead to an associate’s degree). Find which category your major is listed under by visiting the Table of Contents on page 1.

2. Read the Introduction Page of Your Section.
To help you navigate your guide successfully make sure to read the helpful information included on the introduction page to the section in which your guide is located.

3. Explore the Other Resources in the Transfer Booklet.
This booklet is meant to serve as a one-stop-shop resource as you plan your next educational steps.

- A comprehensive list of all programs offered at MSU Denver
- gtPathways guaranteed transfer course list: page 2
- Information regarding Credit for Prior Learning and Individualized Degrees: page 11

4. Review your new transfer plan with an advisor.
It is important to keep in touch with both your community college academic advisor and a transfer counselor in the MSU Denver Transfer Services Office. See next page for your counselor’s contact information.

Note: While the Human Development major does not require specific general studies courses, if you are planning to seek educational licensure you should follow the specific articulation agreement for the education licensure you are seeking. See page 22.

Note: The Human Development major encourages students to complete the following courses at MSU Denver to receive upper division credit (UD). If these courses are completed at a Colorado community college, where a lower division version is offered, they will not transfer in with upper division credit.

III. MSU Denver Individualized Degree Program

The Individualized Degree Program (IDP) offers students the opportunity to propose a major or minor specifically designed to meet their educational goals when those goals cannot be met by formal curricula described in the University catalog. Students interested in this option are invited to contact the Center for Individualized Learning at 303-556-8342 or visit msudenver.edu/idp.

IV. Credit for Prior Learning

What is Prior Learning? Prior learning is the term educators use to describe learning that a person acquires outside of a traditional academic environment. Students may have acquired learning through work experience, employer training programs, military training, independent study, non-credit courses and volunteer and community service.

The Center for Individualized Learning organizes the process in which students’ prior learning can be assessed for possible college credit. To learn more about this assessment process and opportunities you may have to earn credit for prior learning, please contact Danielle Forrest, Prior Learning Specialist at 303-556-8342 or visit msudenver.edu/cpl.
V. Statewide Articulation Agreements and Other Transfer Agreements

Transfer plans included in this section are agreed to by multiple four-year and two-year institutions in Colorado. These guides also follow the requirements for Degrees with Designation options at Colorado community colleges.

60 credit + 60 credit guarantee:
These transfer plans guarantee that you can complete an associate’s degree within 60 credits, and transfer to MSU Denver to complete a bachelor’s degree in an additional 60 credits. To be granted this guarantee, students must successfully complete all of the courses required in their respective transfer plan.

Online Statewide Transfer Guides
To view the statewide transfer articulation agreements online, please go to the following website: http://highered.colorado.gov/Academics/Transfers/Students.html.

VII. MSU DENVER NURSING 303-556-4391

BACCALAUREATE REGISTERED NURSE COMPLETION OPTION (BRNCO)

Admissions Requirements:

- Graduate of an associate’s degree or diploma nursing program.
- Current unencumbered Colorado license to practice as a registered nurse (RN), unless a Dual Enrollment student.
- Students are required to successfully complete statistics prior to beginning the nursing program. (Note: Math 1210 meets both the statistics and the quantitative literature requirement).
- All applicants must have 6 credits of written communication, 3 credits oral communication and the 3 credits of quantitative literacy general studies requirements completed prior to beginning the nursing program. (Please refer to the University catalog for courses that meet these requirements).
- Applicants applying for the full-time option must have no more than 6 credits of non-nursing courses required to complete the BSN degree remaining at the start of the nursing program. Applicants who will have more than 6 credits of non-nursing courses to complete at the start of the nursing program must apply as part-time students. Non-nursing courses include courses outside of the BRNCO curriculum such as general studies, electives, statistics, and a multicultural course required to complete a bachelor’s degree.

Before enrolling in the BRNCO program some of your degree requirements may be completed at another 2- or 4-year institution. Please contact your MSU Denver representative for more information.

ACCELERATED NURSING OPTION (ANO)

The ANO program requires students to have a baccalaureate degree in any non-nursing field and provides coursework to complete a Bachelor’s of Science in Nursing in 17 months. Graduates are eligible to apply to take the RN licensure examination. See the nursing website for more information: www.msudenver.edu/nursing.

Admissions Requirements:

To be eligible to apply to the Accelerated Nursing Option applicants must:

- have completed a non-nursing baccalaureate degree in any field
- have completed or have in-progress all pre-requisites courses:
  - *Anatomy and Physiology I with lab
  - *Anatomy and Physiology II with lab
  - *General Microbiology with lab
  - Introductory Statistics Course
  - Human Growth and Development
  - Human Nutrition
  - Clinical Pathophysiology
- have a minimum GPA of 2.5 in all pre-requisite courses in order to apply; and
- * Note: online labs are not accepted
- * Note: highly recommended pre-requisites completed in the past 5-7 years
- * Note: a multicultural course is required to graduate from MSU Denver, but is not a pre-requisite to be admitted
- have completed the HESI Nursing Admission Assessment Exam (HESI A2) within one year of the application deadline. Applicants are allowed to take the exam a maximum of two times in the twelve months prior to the application deadline
TRADITIONAL NURSING OPTION (TNO)

The TNO program is completed in four semesters over a two year period. Graduates are eligible to apply to take the RN licensure examination. See the nursing website for more information: www.msudenver.edu/nursing.

To be eligible to apply to the Traditional Nursing Option applicants must:

- have completed or have in-progress all pre-requisites courses:
  - *Anatomy and Physiology I with lab
  - *Anatomy and Physiology II with lab
  - *General Microbiology with lab
  - Introductory Statistics Course
  - Human Growth and Development
  - Human Nutrition
  - Clinical Pathophysiology
  - *Note: online labs are not accepted
  - *Note: highly recommended pre-requisites completed in the past 5-7 years

- have a minimum GPA of 2.5 in all pre-requisite courses in order to apply; and
- have completed the HESI Nursing Admission Assessment Exam (HESI A2) within one year of the application deadline. Applicants are allowed to take the exam a maximum of two times in the twelve months prior to the application deadline.
- have no more than 6 credits of general studies courses remaining to be completed. The remaining credits must be in the following general studies categories: Social and Behavioral Sciences I, Arts and Humanities, and Historical to begin the TNO in the spring.

DUAL ENROLLMENT PATHWAY

The MSU Denver Dual Enrollment pathway allows students to complete some credits towards an MSU Denver BSN while they are completing required pre-requisites and ADN nursing courses at a Community College. Dual Enrollment students may apply to the BRNCO program and begin MSU Denver Nursing courses after completing 2 semesters of ADN coursework, as well as the written communication, oral communication, and statistics requirements. Students are able to complete the first four courses in the BRNCO course sequence (NUR 3100, NUR 3800, NUR 3150, NUR 3700). Progression to the remainder of the course sequence is dependent on ADN completion and RN licensure.

VIII. MSU DENVER TEACHER EDUCATION LICENSURE PROGRAM

If you are interested in the teacher licensure program at MSU Denver, your first step in learning more about the program is to request more information through the MSU Denver Teacher Education website at msudenver.edu/education. For more information, contact the School of Education Student Services Office at 303-556-3691.

EARLY CHILDHOOD EDUCATION

GLOBAL DIVERSITY AND MULTICULTURAL REQUIREMENTS:

MSU Denver has two additional requirements that are not required by Colorado community colleges. Please see below for further instruction.

MSU Denver Global Diversity Requirement (minimum 3 semester hours):
Global Diversity courses are designed to help students exhibit knowledge of one or more regions or countries outside the U.S. and describe the implications of global interdependence.

Please Note: it is the expectation of many of the MSU Denver Transfer Guides that students choose a course that will fulfill Global Diversity as well as one other general studies category to prevent the student from taking too many credits. Use this index to identify courses that will fit this category as well as another general studies area.

++courses denoted with two plus signs (++) in our General Studies Index also count for the global diversity requirement

MSU Denver Multicultural Graduation Requirement (minimum 3 semester hours):
Multicultural courses are designed to increase students’ awareness and appreciation of cultural diversity in the United States.

Please Note: it is the expectation of many of the MSU Denver Transfer Guides that students choose a course that will fulfill Global Diversity as well as one other general studies category to prevent the student from taking too many credits. Use this index to identify courses that will fit this category as well as another general studies area.
