Directions to Campus Recreation at Auraria

For Drop off from I-25 Southbound:

I-25 Southbound to Speer

Watch for the construction at the exit. There will be one lane exiting I25 Southbound. It will split into 2-3 left turn lanes (depending on the construction) and one right turn lane. At the stoplight (at the top of the exit ramp) you will be turning left...but it is important to stay in the right-most lane that turns left. This ensures that you will be able to turn right onto Auraria Parkway without fighting traffic to get there.

You will come down off the overpass hill with Six Flags on your right and then pass the Pepsi Center, also on your right. A new right turn lane will open at the stoplight at Auraria Parkway. Do not jump into this new right turn lane. The stoplight at southbound Speer allows a double turn on Auraria Parkway. This puts you in the left-most right turning lane at that light. This ensures you will be able to take the very next left.

Turn right onto Auraria Parkway and take an IMMEDIATE left onto 12th street to get in between West Bound Auraria Parkway and East Bound Auraria Pakway (turn lane is in the median). Again...two lanes take this turn, but you want the right-most left turning lane. Turn left onto 12th Street (there will be no signs to let you know you are in the right place...just know it is the first left off Auraria and you'll be at a stop sign looking across Eastbound Auraria Parkway at the new SpringHill Suites by Marriot building. You'll see, to the left, an entrance to campus just left of the hotel.

After taking this entrance, follow the road to a stop sign at T-intersection. Turn right into a bus turn around, at which you will find the alley to our parking on your left. You can park in any of the 20 minute spots. Outdoor Adventure is located in the basement in PE 002.

For drop off from I-25 Northbound:

Take the Auraria Parkway exit, heading east on Auraria Parkway. You will continue on Auraria through two lights, the second should be 9th Street. After you pass the 9th Street stop light, you will pass the baseball field on your right followed by the new SpringHill Suites by Marriot. Immediately after the SpringHill Suites, turn right onto 12th Street, there will be no street sign. Follow the road straight to a stop sign at a T-intersection. Turn right at the stop sign and into a bus turn around. You will then turn left into an alley that will take you to the Campus Recreation parking area. You can park in any of the 20 minute spots. Outdoor Adventure is located in the basement in PE 002.
