Place Asset Inventory

Date 12/8/2016

Location Douglas County Open Space (Columbine Open Space and Trail)

Latitude 39.282815
Longitude -104.895220

Land manager Douglas County

Getting there
Directions from campus

Risks and safety concerns
Rattle snakes, mountain lions (lion risks are increased by the highway noise of I-25 because it's easier to accidentally surprise one, use of bells would be a good idea).

Appropriate activities
Hiking. Horseback riding and mountain biking allowed in some areas.
