In recognition of Mayford Peery 1920-2009

Mayford was a Golden, CO native who entrusted Golden Cliffs Preserve of North Table Mountain to the Access Fund in 1994 to preserve it as an accessible open space treasure for all to enjoy. Visitors from all over the country enjoy this haven of nature for its climbing, wildlife, and natural surrounding set apart from the urban landscape below. The Access Fund, inspired by Jefferson County Open Space’s dedication and commitment to preserving Golden’s open space treasures, donated the Golden Cliffs Preserve in 2014 to ensure continued and lasting access into the future. Thanks to Mayford’s generosity and dedication to the Golden community, these 29 acres will be loved and cherished for generations to come.
