Through the Metro-Meritus program, persons 60 years and over can attend Metro State classes on the main campus, at Metropolitan State University of Denver North, Metropolitan State University of Denver South or other extended campus locations at no cost on a space-available basis.

Please note: Metro-Meritus does not cover classes with fees attached, non-credit classes, correspondence classes, Art Studio, or online classes offered at any of these locations. Since the classes are merely audited and no credit is given, there are no exams or assignments, unless individually negotiated with a specific instructor. Courses requiring a laboratory or the use of specialized equipment might not be included in the program.

How to Get Involved (Procedures)

1. **Paperwork:** The Metro-Meritus registration form (see reverse side) can be obtained from the Center for Individualized Learning, in the Administration Building, on the third floor in room 360, or online at www.msudenver.edu/cil (click on the “Metro Meritus – Lifelong Learning” link in the dark blue box on the left side of the screen).

2. **Getting into Class:** Bring the registration form to the first class meeting. Introduce yourself to the instructor and explain to him/her that you are interested in auditing the class under the Metro-Meritus program. If the instructor approves, get his/her signature on the registration form. **NOTE:** Sometimes you may have to attend the first few classes to determine if space will be available. Return your signed registration form to the Center for Individualized Learning, in the Administration Building, on the third floor in room 360.

3. **Parking:** There is a fee for parking in all Auraria lots. There is no charge for parking at Metro North or Metro South. RTD offers light rail and bus service to the Auraria campus. Call 299-6000 for information about the route and schedule you need.

4. **Library Access:** Metro-Meritus participants may use the Auraria Library. It is open to anyone from the community. You must have a Colorado ID or a Colorado driver's license.

5. **Special Access:** If you need to have access to a campus computer lab or need an email address for related course work, contact the Center for Individualized Learning.

Welcome to the Metro State community, and if we can be of any assistance to you, please do not hesitate to call us at (303)556-8342.
