DENVER HEALTH PARAMEDIC SCHOOL APPLICATION PROCESS

All students who are applying for Denver Health Paramedic School are required to have the application package and all prerequisite documentation mailed in by the deadline corresponding to their desired admission track. Should the candidate meet all program requirements and prerequisites, he/she will be notified in writing of pre-admission test dates and locations. A description of the testing process and recommended study materials will be included. Students who successfully complete the pre-admission testing, and are deemed to have a positive likelihood for success in the program, will be invited for a panel interview. The Paramedic School will then develop a list of eligible candidates for admission to the subsequent class and these individuals will be notified by mail of their acceptance.

Required Prerequisites for Admission

Copies of the following:

- EMT-B or EMT-I certification
- HS diploma or GED
- Current BLS certification (CPR Healthcare Provider or Professional Rescuer)
- Current TB test, proof of Hepatitis B vaccination series, and MMR vaccinations
- Criminal Background Check
- College transcripts demonstrating successful completion of the A&P requirement (Students must successfully complete Anatomy and Physiology I and II or BIO 106 as defined by the Colorado Community Colleges and Occupational Educational Services (CCCOES). This requirement can be met by education determined to be equivalent through a formative challenge assessment process that leads to equivalent credit).
- Three letters of recommendation (see form below)
- Completed application and admission essay (see form below)
- A non-refundable processing fee of $75.00 is required of each applicant for admission to the Denver Health Paramedic School. This fee is not deductible against any other fee charged or other sum required of the applicant by the program.
