Information on other side
Pozzi Family Endowment Fund Scholarship

Biographical Information

None Available; scholarship was established as a privately controlled scholarship with the establisher to remain unknown.

Scholarship Criteria

The Pozzi Family scholarships will support students enrolled in the Civil, Electrical and Mechanical Engineering Technology. Students receiving the scholarship must meet the following criteria:

1. U.S. Citizen;
2. Have a grade-point average of at least 2.5;
3. Be registered at MSU Denver for 12 or more credit hours while receiving the scholarship;
4. Have a declared major in civil, electrical or mechanical engineering technology;

Information requested beyond the basic scholarship criteria will be used as tie breaking criteria in the event of a tie.

Evaluation

The award criteria evaluation shall occur by the establisher of the Pozzi Family Scholarship.

Scholarship award application forms will be administered by the Engineering Technology department. The MSU Denver Foundation will maintain and disburse funds for this scholarship. The fund disbursements will be made on the basis of the establisher of the Pozzi Family for the scholarship award.
