5. Time of less than 1 hour should be reported in quarterly decimal increments, for example: .25, .50, or .75.
6. Timesheets are due to the supervisor by 5:00 p.m. the day after the end of the payroll periods. Both the student and the supervisor must initial any changes to the timesheets such as hours, dates, and totals.
7. Only the supervisor or in the absence of the supervisor, someone who can verify the hours recorded on the time sheet, may sign the time sheet.
