

# Meritus Scholars: Finding Your Courses

## Option 1: Searching the Course Catalog

**Step 1: Go to the current Course Catalog:** <https://www.msudenver.edu/catalog/>. (Remember, the Course Catalog provides a list of courses offered at MSU Denver, but that does not necessarily mean those courses will be available any given term. Check out the Course Schedule (page 2) to see what classes are currently available.)

### Current Course Catalogs

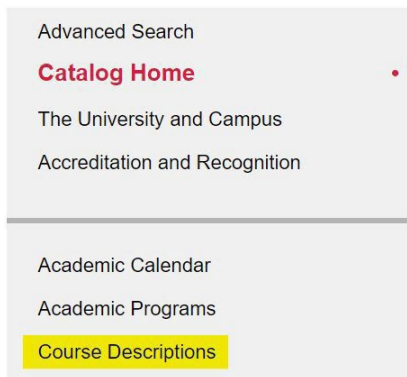

MSU Denver is a comprehensive, baccalaureate- and master's-degree granting urban university.

The undergraduate and graduate catalogs contain comprehensive information about MSU Denver, the degrees and programs it offers and the requirements a student must satisfy before receiving a degree.

### Step 2: Go to "Course Descriptions."

### 2023-2024 Undergraduate Catalog

### Step 3: Search courses by the subject (Prefix) you are interested in, or enter a keyword to find all courses that cover a specific topic.

Study courses are published in the Class Schedule.

**Topics or omnibus courses** are temporary courses that are not listed in the Catalog. They may be used to present a special topic, or provide a unique, experiential-learning opportunity. Omnibus courses use a wide range of course numbers: 190\_, 290\_, 390\_, 490\_ and include an alpha character in the course number. These courses are published in the Class Schedule.

**Topic courses** allow courses of varying titles under an overall theme or "umbrella" course. Variable topic courses include an alpha character in the course number and are published in the Class Schedule.

**Filter**

of courses using course prefix, course code, keywords or any combination.

Code or Number:	Type	Keyword or Phrase:
